Under 6.4: Insert the following language:

- 6.4.1. Backwash from Iron Filter systems or other water treatment systems, excluding water softeners. Except as to those homes that have been issued a building permit prior to the adoption and publication of this amended Ordinance all backwash water or other flushed water shall be prohibited from being discharged to the individual septic tanks and CSTS system. The present 6.41 will now become 6.4.2

The present 6.4.2 will now become 6.4.3

All other portions of the above Ordinance will remain the same.

Effective Date. This amended Ordinance shall become effective and enforceable on the day following publication.
